Bishop Fred L. Dennis, D.D., LL.D.

The Miami Conference is happy to welcome Bishop Fred L. Dennis as the episcopal head of the Central District of The Evangelical United Brethren Church. He has served among us previously as a pastor and as superintendent of our conference. We have learned to love, honor and respect him.

We look to him for leadership, counsel, understanding and direction. We offer him our loyalty, our friendship and our prayers.

Otterbein college has honored our Superintendent, our Conference and herself in bestowing the degree of Doctor of Divinity upon the Rev. W. K. Messmer. In two brief years Dr. Messmer has won for himself a place of distinction in the Miami Conference.

We congratulate him and pledge our continued support to his aggressive leadership together with our prayers that he may have strength and wisdom for his responsibilities.

**The Rev. William K. Messmer,
D.D.**

STANDING RESOLUTIONS

In Regard to Missionary Appropriation

Resolved, That the missionary money appropriated to the different missions in this conference be paid monthly, and that no part be paid except by order of the conference superintendent, and if in the judgment of the quarterly conference the missionary fails to faithfully perform his work it shall be in the power of the next conference, upon the recommendation of the conference superintendent, to withhold any part of the amount appropriated by this conference. (Adopted 1875.)

In Regard to Reading Course Examinations

Resolved, That the examination in Course of Study shall hereafter be conducted in writing. (Adopted 1882.)

In Regard to Conference Claimants

In Regard to Mission Charges

Resolved, That the amount received as a missionary appropriation by mission charges is to be added to the amount of salary received on the charge, and be so reported to the conference chart. (Adopted 1890.)

In Regard to Letters of Introduction of Removed Members

Resolved, That the conference superintendent require all pastors to follow the non-resident members removing from their parishes with letters (not of membership but of introduction), to the nearest pastor so that we shall be able to conserve them to our beloved Zion for Kingdom building. (Adopted in 1930.)

In Regard to Plan of Conducting the Reading Course

It is hereby recommended that the Miami Conference adopt the following plan of conducting the reading course examinations and the passing of probationers, namely:

- (a) That a Board of Ministerial Training of five (5) members be named, said Board to be organized as one Board with a chairman and standing secretary, the secretary to keep the permanent record as authorized by the Discipline, Chapter XIX, Section II, ¶2040, page 415.
- (b) That examinations in each year's course be delegated by the chairman to members of the Board as agreed upon by the Board.
- (c) That the passing of each probationer be acted upon by the entire Board, the Board to meet during the sessions of the conference at stated times to consider the character and standing of each person pursuing the reading course.
- (d) That examinations be conducted at any time during the conference year according to such plans as agreed upon by the Board. (Adopted in 1930, revised according to action of conference in 1942.)
- (e) That the Board of Ministerial Training be elected for a term of four years. (Adopted 1933.)

In Regard to the Christian Sabbath

Whereas, various county fairs and the Ohio State Junior Fair have been open on Sunday, automobile races, horse pulling contests and other sporting events are being continually scheduled and held on Sunday; and this commercial use of the Christian Sabbath interferes with habits of worship and tends to destroy the religious value of the day.

Be it resolved, That we register our protest against such use of the Lord's Day and call upon our people and all other Christians to use their influence against such use of the Sabbath and have no part in sports and events held on this sacred day. (Adopted 1937.)

In Regard to Selection of Place for the Annual Conference Session

Resolved, That the invitation from the churches to entertain the next annual conference session should be given on Tuesday afternoon and the names of the churches placed on the first conference ballot. If no church receives a majority of the votes cast, the two receiving the largest number of votes on the first ballot be placed on the second ballot and the one receiving the largest number of votes be selected. (Adopted 1938.)

In Regard to the Historical Committee

Whereas, our methods of electing the Historical Committee in the past has given the committee and the conference no assurance of continuity or permanency either in its work or its records,

Therefore, be it resolved, that the three persons who are elected in today's election, the one receiving the highest number of votes be elected for a term of three years, the second highest for two years, and third highest for one year. That, hereafter, one person be elected each year for a term of three years. (Adopted 1939.)

In Regard to the Personnel of the Board of Publication

Be it resolved that the committee charged with the publication of the Miami Messenger be composed of the conference superintendent, conference recording secretary, president of the Conference Board of Christian Education and two additional members chosen by ballot. (Adopted 1939.)

In Regard to Historical Papers

We recommend to the Conference Board of Trustees that they provide a suitable place, preferably in the Conference Manse, for the safe keeping of materials of historical value that are or may come into possession of the conference, and that the conference superintendent be the custodian of these archives. (Adopted 1940.)

In Regard to the Years of Service for the Commission on Evangelism

It is the sense of this body that the Conference Commission on Evangelism consist of five members with a term of five years, one member to be elected each year.

That this year the one receiving the highest number of votes be elected for five years; the next highest vote be for four years; and so forth.

That it be marked thus on the conference ballot. (Adopted 1945.)

In Regard to Ministerial Aid

WHEREAS, there seem to be certain inequities in the method of giving Retirement Aid and,

WHEREAS, there is a degree of confusion in the various standing resolutions heretofore used as the basis for retirement aid, and

WHEREAS, there seems to the committee to be a real desire to clarify and determine a policy for Retirement Aid;

BE IT THEREFORE RESOLVED that the following become the policy of Retirement Aid. Said policy is subject to review and adjustment at each annual conference session.

1. That Retirement Aid will be paid to those granted retirement in the Annual Conference on the basis of years of service in the direct employ of the conference. The rate of payment per year may need adjustment from time to time, but the years of service in the Conference shall be the basis of payment. That in cases where churches have come into the Miami Conference by the merger of conferences or by transfer due to change of boundaries, years of service by ministers of such churches shall be treated the same as persons already members of Miami Conference.

2. That the maximum number of years upon which Retirement Aid will be paid will be 30.

3. That the conference appropriation and dividends of the Otterbein Press and Publishing Interests constitute the Fund from which the retirement aid will be paid.

4. The rate paid per year will be determined annually by vote of the Annual Conference depending on the amount of funds available.

5. That the present list of ministers' widows be continued for the amount of money heretofore granted.

6. That any minister's widow becoming a beneficiary of group insurance shall receive no grants from the Ministerial Aid funds. Any exception to this rule shall be made by action of the Annual Conference.

7. The widows not governed by the foregoing status shall be dealt with as special cases, and shall be granted aid on the basis of years of active service spent with their husbands in the Miami Conference.

8. All ministers receiving superannuated relations shall be eligible for retirement aid.

9. That ministers rendered incapacitated by illness shall be treated in the light of their special need. It is understood that the total money received by any person from the Conference Aid Fund in the foregoing category shall not exceed but may be equal to the maximum received by other beneficiaries of the Fund. (Adopted 1951.)

**THE FOLLOWING RESOLUTIONS APPEAR IN THE 1927
MINUTES AS STANDING RESOLUTIONS BUT NO DATE
OF PASSING NOTED**

1. That hereafter no appropriations be made by the Conference Board of Trustees or the Finance Committee beyond the income on hand or definitely provided for.

2. That no church in the conference shall contract any considerable debt for a new or remodeled building without first consulting the Conference Board of Missions.

3. That no debt shall be larger than the local church can in the judgment of the Conference Board of Missions pay off within a reasonable time.

It is recommended that pledges on debts or building funds be taken on a yearly basis.

Conference Proceedings

TUESDAY MORNING SESSION

The One Hundred and Forty-second session of the Miami Annual Conference convened in the chapel of Camp Miami at 9:00 a.m., June 12, 1951. Bishop Fred L. Dennis, D.D., LL.D., led in the call to worship.

The congregation sang the Doxology. Bishop Dennis convened the conference in the name of the Holy Trinity, following which he led in a prayer of invocation.

The congregation sang "The Church's One Foundation" under the direction of the Rev. Milford Ater. Mrs. Lorin Stine accompanied at the Wurlitzer organ.

The Rev. John Bench read the scripture lesson from Isaiah 50:4-9 and Luke 9:49-56.

The prayer was offered by the Rev. Paul M. Herrick, D.D. Mrs. Stine played an organ response.

Mrs. Miriam Erbaugh, of the Antioch Church, sang a solo "Communion Hymn" by Mary Pickens.

The Rev. W. K. Messmer, D.D., Superintendent of the conference, presented the new bishop of the Central Area, the Rev. Fred L. Dennis, D.D., LL.D., and said that he was happy for the return of Bishop Dennis to Miami Conference.

Bishop Dennis gave the communion sermon, using as his topic, "The Face of Flint." He said that facial expression often reveals the character of an individual, and the emotions felt. The Face of Flint reveals Jesus' steadfastness of purpose. He spoke of Jesus' understanding of human needs and of his words which could be understood by the common man. He also reminded us of Jesus' confidence in God—a confidence which we need today. He closed by calling upon us to be faithful, to take up our cross and follow Him, who is our Lord.

The congregation stood to sing "Not Worthy, Lord, to Gather." Communion collect was offered by Dr. Messmer who also read the scripture call to communion from Isaiah 53 and other appropriate portions of God's Word. Following a period of quiet meditation Dr. Messmer led in a prayer of consecration of the communion elements. Drs. Messmer and Herrick presided at the communion table while district leaders G. D. Letner, J. P. Hendrix, D.D., W. N. Miranda, and F. S. McEntire distributed the elements to the congregation. During the distribution of the elements Mrs. Stine played a number of communion hymns. The congregation partook of the elements at the direction of Bishop Dennis.

Following the communion service, we sang "I Sing the Almighty Power of God."

The memorial service was introduced by Bishop Dennis, during which tributes were expressed to the memory of the Rev. C. W. Snyder, by the Rev. C. R. Smith; to the Rev. W. T. Frank, D.D., by the Rev. E. S. Comrey; and to the Rev. R. B. Ditmyer by the Rev. L. M. Hohn, D.D. (See Report No. 11) Bishop Emeritus A. R. Clippinger, D.D., LL.D., was called to the platform and spoke words of appreciation for the life of each of the deceased. He spoke of his personal association with them and said "We treasure the memory of these three brethren; they are bound to us in bonds of love." Reception for Bishop Dennis

A reception honoring Bishop and Mrs. Fred L. Dennis was held during the supper hour on Tuesday, June 12, 1951. The Rev. Harvey Hahn served as toastmaster for this pleasant occasion. In Harvey's words "we got the show on the road promptly at 6:26. After introducing us to the purpose of the evening, in his own inimitable way, the toastmaster presented Bishop Emeritus A. R. Clippinger, D.D., LL.D., who spoke of his association with Bishop Dennis during the years and of his appreciation for the life and work of our new Bishop. He said that he was happy that Bishop Dennis is now living in the Central District and said to Bishop Dennis "I hope they are as good to you as they have been to me."

Doctor Messmer spoke in behalf of the conference. He said that "Bishop Dennis gave me my quarterly license when he was Superintendent of the Miami Conference. He has been a help to me during the years. As superintendent and speaking in behalf of my colleagues in the conference, I feel confident that you will draw out the best in us that Miami Conference may become strong." He pledged the loyalty of the ministers and churches to the new Bishop.

Mrs. Elmer Werner, President of the Miami Branch of the W.S.W.S., was next presented and said "We tried the Bishop out at the Branch meeting and we are glad he is here. We hope to make you as proud of us as we are of you."

The Rev. Paul M. Herrick, D.D., President of the Conference Board

of Christian Education, said that we are happy to have Bishop Dennis the Chairman of the denominational Board of Christian Education, as our Bishop. He spoke of his happy association with the Bishop and complimented him on his fine attitude and action as his predecessor at the Dayton First Church. He predicted a happy, wholesome relationship between the Bishop and the churches of Miami Conference.

Dr. O. O. Arnold spoke a word of welcome representing the general officers of the Church. He said that through years of friendship and fellowship with Bishop Dennis, he had come to appreciate his fine spirit, his democratic attitude, and his genuine good humor. He warned the Bishop, however, that he was now "one of those birds in Dayton," and said "birds of a feather, flock together." He closed by paying tribute to the wonderful spirit of real fellowship among general officers of the Church, and said that church union had enriched the lives of the general officers and hoped that it would prove a blessing to Bishop Dennis.

The Rev. Mr. Hahn presented Mrs. Dennis with a brass flower receptacle and the Bishop, with a combination reminder and billfold, together a substantial purse, as a token of the good wishes of the ministers and delegates of the churches of the Miami Conference. Mrs. Dennis replied by saying "We appreciate what you have done and hope we can so live among you so that you will always love us."

Bishop Dennis replied in a vein of delightful good humor by saying that he felt that he was coming back home and that he was grateful for our kindness and all the fine things said about him. He pledged his love and loyalty to us. He closed by expressing appreciation for Bishop Clippinger as a friend, a colleague, and a churchman. He said that you can contend with Bishop Clippinger because of differences, but this does not mar your friendship with him.

This delightful period of fellowship was brought to a close with an appropriate prayer by the Rev. Ralph W. Tinsley, one of the young men who came into the ministry of the Miami Conference under the guidance and leadership of Bishop Dennis, during his pastorate at the Euclid Ave. Church.

WEDNESDAY MORNING SESSION

The second day of the Annual Conference began with the playing of "Hymn of Faith" by Mrs. Lorin Stine. The Rev. Milford Ater led us in singing "God of Our Fathers."

The Rev. Carl Eschbach read from Phil. 2:1-11, and led in prayer.

Bishop Dennis brought the devotional address using as his subject "The Great Commission." He said that we live in a period similar to that in which the disciples lived following the crucifixion and there were many things to cause them to doubt. We may be placed in such circumstances today, but we can be certain of God's love. The resurrection overcame the fears and doubts of the disciples and aroused within them an attitude of expectancy. It was in this spirit of expectancy that they heard Jesus' command "Go ye—preach the Gospel." He spoke of the need for workers and for prayer for those who serve God.

A ministers' quartet sang "The Anchor of the Soul." Members of the quartet were the Revs. Milford Ater, Paul M. Herrick, Carl Eschbach, and Howard James.

Bishop Dennis voiced his appreciation for the reception tendered him on Tuesday evening, for the gifts he received and for the nice words of goodwill and friendship. He asked for our prayers for him as an administrator that he might be fair, honest, and equitable.

The secretary read the journal for Tuesday. It was corrected and approved. It was also called to the attention of the conference that the dividend checks received from The Otterbein Press and the Real Estate Foundation at the Tuesday evening session, were the largest ever received from these sources.

He said that Miami Conference has always supported Otterbein College as is evidenced by the generous financial support during the past year. He brought the greetings of President J. Gordon Howard. In his speech he answered the four questions, who, why, what, how is Otterbein College. He stated that a college is more than buildings and grounds. It also includes persons, among whom are students, faculty, and a board of trustees. Otterbein College is needed to prepare Christian leaders and to qualify young people for the professions and business. Otterbein College is an accredited college. In many respects it is a pre-professional school. It is your college—owned and operated by The Evangelical United Brethren Church for a desired enrollment of 950 students. He asked for the cooperations of the constituency, alumni, students, faculty, and trustees. He spoke of the need for vision and for the quality as well as the quantity of service rendered. In closing he asked for our continued support and helpful understanding.

The Rev. E. E. Burtner presented a report of the Board of Ministerial Training. The work of the board was approved and items referred to the Committee on Conference Relations and Ways and Means. He told us that contracts for the construction of the library had been signed, but that construction was being held up pending N.P.A. approval. He told us that the dormitory is being converted to housekeeping units. The Seminary is providing a new parking lot. He told of vesper services to be held on the Seminary campus this summer and of the Ministers' Conference to be held July 2 to 6. We expect to have 150 students next year, which will be the biggest enrollment we have ever had. He announced the installation of three new professors, and of Dean Behney, which will be held on Nov. 1 and 2, 1951. We now have twenty Evangelical United Brethren missionaries in this country. He spoke of work in the Philippine Islands and in the Latin American countries of Puerto Rico, Santa Domingo, Ecuador, and Brazil. He called attention to the fact that the last Sunday in November had been designated as Mission Sunday. Concerning the work in China, he stated that he had asked the Rev. Frank Oldt, M.D. to speak.

Doctor Oldt said that communism is in many respects a rebuke to the Christian church. A missionary wants to change things, and he can do his best work in times of change. He stated that it had been his desire and purpose to provide competent medical care in China at a cost within the ability of the people to pay. He told us that Communism did not oppose Christianity in China for religious reasons, but for political reasons. He said that the church is taxed there, as is any

other institution and that no money for support is allowed to come in from outside sources. He told us that the Christian church in China is now working out new techniques for true evangelism. He expressed his faith that the church in China will meet the situation it faces and come out a stronger church. He said that they need our prayers and told us that our mission board is now placing money in reserve funds to meet future needs in China.

The choir of the Hamilton church sang "How Beautiful upon the Mountains."

The Rev. Harry Kalas, D.D., Director of the National Christian Teaching Mission, addressed the conference, using as his subject "The Motive for Evangelism." He pointed some inadequate motives, such as an institutional approach, the use of evangelism as an antidote for political ideologies with which we do not agree, and the gathering of crowds of people. We sometimes do a weakened kind of evangelism without an impelling motive for evangelism. He pointed out that methods do not assure an adequate program of evangelism, although they are important. He read from Rev. 1:5 and said that this verse suggests four motives for evangelism: 1. Evangelism has as its purpose, calling man to a response to the love of God as revealed in Christ Jesus. 2. It helps people to really understand what it means to believe on the Lord Jesus Christ. 3. It establishes the Kingdom of God here and now. 4. It helps make us priests—to be joined to the

church—to become a part of the body of Christ. We are Christ's instruments in evangelism. This is the greatest motive for evangelism, to be an instrument of Christ. He closed by leading us in singing several verses of a Negro spiritual "We Are Climbing Jacob's Ladder."

An offering was taken for conference expense.

The Reverend Stine pronounced the benediction.

THURSDAY MORNING SESSION

The Rev. Ambrose Agerter read from Acts 12:1-14 and led in prayer.

Bishop Dennis gave the devotional message, using the second part of the Great Commission. He placed emphasis upon the need for Christian nurture in our Church. He said that in 25 years we will have a transformed Church if we will use the catechetical materials now in our hands. He deplored the divisive spirit within the Church and said that the real unity of the Church is our faith in Christ. Conversion is the beginning of the Christian life, not the end. He warned of the danger of stagnation and of the need for humility before God. He said that it would be well for us to have a discontent with our spiritual achievements and a concern for those within and without the church who need spiritual growth and development. We need to grow, to push out the pattern of our love until we can include all who love God and confess his Son as Lord. He expressed the hope that the best sermons of our ministers this year would produce a discontent with individuals rather than a discontent of someone else. He closed by admonishing us to instruct our children in the Christian faith and to develop a spirit of love.

The ministers' quartet sang "Now Let Every Tongue Adore Thee."

Copies of the Constitutional Amendments to be voted upon later in the day were distributed.

It was moved that the journal be approved without reading, and that any corrections be made by the Council of Administration.

The Conference voted to refer the time and place of the next annual session of the conference to the Conference Council of Administration. The Council was voted authority to act in behalf of the conference between sessions in matters which may have been overlooked in this session or in emergencies which may arise.

Attention was called to the fact that the Rev. A. S. Wolfe, who is retiring, plans to dispose of his library and is offering the volumes therein for sale. It was announced that the evening session would be convened at 8:00 o'clock.

We were adjourned on motion with benediction by the Rev. G. E. Vinaroff.

THURSDAY EVENING SESSION

The chapel at Camp Miami was crowded to overflowing as the organ called the group to a spirit of worship with the playing of "Songs in the Night," by Spivney.

Bishop Dennis led in the Call to Worship following which the con-

gregation sang the Gloria Patri. The invocation was offered by the bishop.

We sang "All Hail the Power of Jesus Name," under the direction of the Rev. Milford E. Ater.

The devotional period was in charge of two of the elders who were superannuated at this session. The Rev. O. D. Welbaum read from the Holy Scriptures using John 20:131. The Rev. A. S. Wolfe led in prayer.

The choir of the North Bend Church sang "Be Still and Know That I am God." Mr. Claude Myers was the director of this fine choir.

Bishop Dennis gave the assembly a bird's eye view of the events which had transpired during the conference sessions.

An offering was lifted for conference expenses.

The congregation sang "Break Thou the Bread of Life."

Bishop Fred L. Dennis, D.D., LL.D., used John 20:17-23 as the basis of his sermon on the subject, "The Regal Strategy for World Conquest." He said that the disciples and the people who heard Jesus wrestled with the answer to the question, "Whom do you say that I am?" Some answered it by crucifying Jesus. Following the crucifixion the disciples were discouraged but after the resurrection Jesus brought them new hope. He challenged them with the possibility of meeting the need of the world. There were three words in his strategy. The first word was peace, the peace that passeth understanding. The second word was a program, as the Father hath sent me so send I you, we are to accomplish the task which Christ began, by doing the will of God. The third word is power, receive ye the Holy Spirit. The Holy Spirit gives us the power to do the task which Christ assigned. We get this power by closing out the forces of evil and opening our hearts to the Holy Spirit.

The choir sang "In Him Will I Trust."

In an impressive service the Rev. James Riley was ordained an elder in The Evangelical United Brethren Church. The Revs. W. K. Messmer, D.D., and Philip Deeve assisted in this service and participated in the laying on of hands.

The Bishop presented Probationers' license to Donald Baker, Philip Diehl and Dwayne Myers.

The report of the Stationing Committee was read by Bishop Dennis. (See report No. 1)

We were adjourned on motion with Bishop Dennis pronouncing the benediction.

* * *

This was an unique session. For the first time in more than 140 years the annual session of the Miami Conference was held in the spring. Previous conferences had been in late summer or fall. It was also the first time that Bishop Fred L. Dennis had presided over the Miami Conference. He did this with charm, grace and deliberation. Many times he demonstrated his ability to relieve a potentially tense situation with an appropriate bit of humor. He often demonstrated his spirit of fairness and a desire for all persons to be given an opportunity to state their case. He gave indication of his understanding of and loyalty to the spirit, law and doctrine of The Evangelical United Brethren Church. It was indeed a real pleasure to welcome him back to the fellowship of the Miami Conference.

As usual we were comfortably housed at Camp Miami and the Conference Board of Christian Education were ideal hosts. There was a fine spirit of cooperation and good will manifested among the delegates and members of the clergy. Many expressions of approval were heard for the shifting of the sessions to the spring.

The reports to this conference were good, indicating a growth in spiritual affairs as well as in material assets. There was much activity in building and repairs during the past year and more contemplated for the future. Our superintendent's report reflected the prodigious amount of work he does. All in all we felt that the past nine months had been a "good year."

Report No. 2**REPORT OF THE CONFERENCE SUPERINTENDENT**

To our esteemed new Bishop F. L. Dennis, brother ministers, delegates and friends of the 142nd session of Miami Annual Conference, I present herewith my second annual report with ever increasing gratitude for God's abiding love and care, and with a prayer that my own inadequacies to the task may be made more bearable by God's increasing grace. The task calls forth constantly the great need for

the directives and energies of God. To this I give ready acknowledgment.

May I express the pleasure of working with our new Bishop F. L. Dennis. He is not a stranger to us, nor we to him. We are grateful for the vigor of his leadership and his complete devotion to Christ and the Church. He is rapidly filling in the gaps of his knowledge of our work in Miami Conference caused by his ten years of absence from our midst, during which time you know he served as presiding Bishop over the Northwest Area. He has responded to my every need for counsel and advice, and will prove to be a challenging leader to the forces in the Central Area. My prayer is that he be given the strength to maintain the full schedule which constant invitations bring upon him.

In Memoriam

Three of our colleagues in the service have answered the last roll call. They were three noble soldiers of the cross: Rev. C. W. Snyder who passed away after a brief illness, Dr. W. T. Frank after an extended illness, and only a few days ago Ralph Ditmyer after an heroic effort to recover from an illness of last year.

The Ministry

One of our ministers who has one of the longest records of active service retires this year. After 46 years in the active service, Rev. O. D. Wellbaum requests retired relations. His leadership has been marked by faithfulness. He served a number of our churches with credit and distinction. We relinquish him to the larger service of a retired elder with regret, but bespeak for Rev. and Mrs. Wellbaum many happy carefree years. Since coming to conference Dr. Frank Oldt, an honored and distinguished servant of the church has indicated a desire for retired relations.

Another of our itinerants requests the relationship of retired elder: Miss Ella Hamilton is requesting that she be listed among the retired ministers of the conference. Her record of service has been unique—she has served the Euclid Avenue church continuously since 1912. In an unobtrusive way she has enriched the life of many who have been a part of this great church. We offer to Miss Hamilton our best wishes and prayers that she may live happily many years of retirement. Only in the last few days did Rev. A. S. Wolfe decide to retire and move to California where Mrs. Wolfe has preceded him and where the climate gives her some promise of better health. Brother Wolfe comes to the close of his ministry among us bringing credit to himself and our church. We bid him Godspeed, and ask him to convey to Mrs. Wolfe our every wish for full recovery to health.

The usual interruptions in the pastoral assignments have been avoided due to the change of the meeting of annual conference. Only recently has it been necessary to supply certain pulpits made vacant by Seminary graduation and retirement. I am very proud of the service rendered by our ministers. We are not without many limitations. Errors in judgment, misdirection of effort and a measure of indolence are constantly besetting us. We are a human lot, but withal, there is a dedication to Christ and the Church which is very inspiring.

It becomes increasingly evident to me as I see the churches and ministers from a relatively objective position, that if a church enters into the problems of the ministry financial and otherwise, it will draw forth from the men their largest possible measure of service. The converse is also true: a minister must invest himself without reserve into the life of his people and the community. The New Testament admonition of losing one's life as a secret of finding one's life is as true for ministers as we often say it is for laymen. Let us give ourselves without stint to the ministry of Christ.

We observe with some satisfaction the gaining of a professional status for the ministry and I believe it is proper. But we must keep alive in our hearts our high sense of mission.

It gives me real joy to note that we are making excellent strides in providing our own men for our churches. This is healthy for our conference. We are indebted to Bonebrake Seminary for its students who have served the churches of our conference through the years. We cannot consider and do not consider a change in our relationship to the Seminary students. However, for a long time we have been forced to acknowledge the fact that our churches did not produce ministerial leadership in sufficient numbers. This was a mark of our spiritual leanness. This is changing. We intend that it shall continue to improve. I believe God will call our young men if we can become the instruments of making God's will known to the young men of promise in our homes and churches. Next year we will have eleven students from Miami Conference in Bonebrake Seminary. There are also many others in various stages of preparation in other institutions.

Let me point out here the importance of proper guidance to these young men in choosing the institutions to which they go for preparation. We assert without hesitation that we want our young ministers to attend the institutions of our church. The Board of Ministerial Training has done an excellent piece of work in this area.

Three young men are being presented to the conference for Probationers' license. They are Philip Diehl of Castine, Don Baker of Euclid Avenue, and Dwayne Myers of Verona. Five men are bringing their credentials to our conference and these names are referred to the Committee on Conference Relations. They are Ambrose Aegerter of Wayne Avenue, J. C. Herbert now serving Verona Church, J. Maurice Parsons who is pastor at Brookville, Charles White of East Dayton Trinity, Carl Eschbach of Fort McKinley.

James Riley and J. C. Herbert are prepared by completing their education to present themselves for ordination. They are herewith referred to the Committee on Conference Relations.

Our ministers serve with faithfulness and often with honor and distinction. J. P. Hendrix was selected as the Rural Minister of the Year—of our denomination in the state of Ohio. He is provided with a scholarship for a summer session at Oberlin. D. T. Gregory, a long time member of Miami Conference was elevated to the Bishopric at the last General Conference. We offer our congratulations and prayers.

Clyde Jones is requesting a letter of dismissal from the conference. W. W. Coursin is requesting that his name be removed from the list of Probationers. These requests are presented to the Committee on Conference Relations.

The Churches

We are pleased to recognize the enlargement of our circle of churches to include three churches transferred from the Indiana (Ev) Conference. They are Wayne Avenue, Ware's Chapel, and Phillipsburg (Zion). We are pleased to welcome these churches and their pastors, Ambrose Aegerter and Kannel Ireland. A mark of their spirit of real unity is revealed by the fact that our two Phillipsburg churches are organically uniting this coming Sunday, June 17, 1951. Rev. Kannel Ireland, Rev. Howard James and their respective congregations deserve our commendation for their progressive churchmanship. The total membership of the two churches is 258: Ev 43 plus UB 215. The two remaining churches bring a membership to our conference of 719: Wayne Avenue 569 and Ware's Chapel 150. The churches are presented to the Committee on Boundaries and Appropriations for suitable resolutions.

It appears now that the thirteen churches coming to us from Southeast Ohio Conference (in the reorganization of the conferences in Ohio) will come into our conference at the setting of the Southeast Ohio Conference in August. These churches will bring 737 members. They are as follows: Mowrystown 148; Hillsboro 161; Wrightsville 16; and Liberty Chapel 14 comprising the Wrightsville Circuit; Midland City 37, Moore's Fork 35 and Second Creek 47 forming the Manchester Circuit; Bloom Rose 53, Browntown 62, East Danville 48, Ketterman 53 and Union Plains 43 making up the Brown County

Parish; White Oak (abandoned) 20 members. These figures are according to the last published records.

These churches will need to be formed into a new district and the problem is herewith referred to the Committee on Boundaries for appropriate recommendation to the conference. Otterbein and Savona request that their churches be formed into a circuit.

Expansion

If property improvement and enlargement is a sign of spiritual vitality, and I believe it is, then many of our churches are giving abundant evidence of this fact. Churches dedicated during this year were; Bowlusville, involving an expenditure of \$35,000—\$5,000 debt remaining. This is a very attractive and useful church structure. Hamilton First dedicated its beautiful new church with \$125,000 expenditure. The constantly reducing debt is now less than \$45,000. This is one of the most completely equipped church plants in the conference. The Fletcher Church, an authentic colonial building in an attractive setting, valued at \$40,000, was dedicated June 3rd. A \$10,000 debt remains.

Several churches are nearing completion of enlargement programs and dedications are planned for the near future. Sulphur Grove will dedicate its new and beautiful church on June 24; Vandalia is greatly increasing its facilities to meet exciting opportunities by an expenditure of \$75,000; Clayton is completing a \$24,000 addition. This field gives fine promise of growth. New Hope on the Lockington charge is building an addition which will practically double its program possibilities. Columbus Avenue church is expanding its building. Waterhouse built a small addition, a part of which accommodates the new heating plant for the church. Miamisburg has completely remodeled its basement into more attractive rooms. Nashville nears completion of its long time building program. Oak Street has expanded its quarters to include using adjacent houses for church offices and assistant minister's parsonage. Springboro has completed the first step of its expansion program. Bevis has nearly completed the remodeling of its church. Germantown is about finished with its remodeling program including its rebuilt organ. Fort McKinley is well along on the building of its addition.

Two of our churches deserve recognition because of the unusual circumstances of their achievements. They are East Dayton Trinity and Miami Chapel. As is well known, these two churches were damaged by fire. In fact East Dayton was completely destroyed by fire. I believe it can be said and you will understand what I mean when I say these fires were blessings in disguise. The Miami Chapel church because of its fire demonstrated a fine spirit of recovery, and their remodeled and redecorated church is very attractive. It will be dedicated on July 1. The fire at East Dayton found the people heroically responsive to the challenge. This congregation was able to purchase the building occupied by the Heidelberg Evangelical and Reformed congregation. For the sum of \$70,000, the church and parsonage were secured. An immediate program of remodeling and building an educational unit was undertaken. This promises to be one of our strongest churches.

A word of appreciation should be conveyed to the synod and denominational officers of the Evangelical and Reformed church for their generous spirit in all the negotiations leading to the purchase of the property.

A number of our churches are ready or soon will start building programs. They are: Lewisburg, Ithaca, Phillipsburg, Verona, Harrison, Aley, Belmont, Euclid Avenue, First Church, and Fairview.

New parsonages have been built or secured by the Arlington, West Manchester, and Oak Street congregations. The Mt. Airy church is beginning a new parsonage project. I have made every effort to list all major achievements in building—any omissions will be included if called to my attention.

New Missions

I believe we are at the threshold of great advancement possibilities. New communities are developing around all the cities of Miami Valley, confronting us with thrilling opportunities for new missions. We cannot ignore these new communities, we will not ignore them. We must with diligence and sacrifice pursue these objectives. The two lots we own are in very promising communities: the South Hamilton community and the Woodman Drive tract located in the southeastern section of the city of Dayton. Both of these demand almost immediate occupancy. The Conference Board of Missions is requesting authorization to start these projects as soon as the time is appropriate. Other communities are bringing recommendations with respect to the financing of these projects. We earnestly solicit your support for these new churches.

Evangelism

It is not possible for us to make as good a report in the realm of Evangelism as we made nine months ago. There are numerous reasons for this. We offer no excuses, however, and turn our attention to the new year with its goals and challenges. The net increase in membership is 1121, but this is due largely to the addition of the three churches from the Indiana Conference. Our own records reveal 1890 accessions and 359 net increase. It should be observed that we met three-fourths of our goal in this nine-month year.

I believe we must prepare ourselves for a tremendous opportunity in all of our churches. The number of children in our population has greatly increased as everyone knows. The bulge of this great increase is at the 4th grade of school. A program of catechism is urgent in every church. The second largest segment of persons constituting real opportunity are the parents of these children.

I hope every church and pastor will be aggressively interested in reaching these and others for Christ and the church. There were 11 churches showing no accessions. This is regrettable, I'm sure you will agree.

The Board of Evangelism will present some goals which I hope every one will accept with determination to achieve.

The New Benevolence Budget

Every one is aware of the enlarged program of benevolence which confronts us and of the necessity of increasing our conference budget by 35%. We believe the needs of our world-wide program make such increase quite modest if not inadequate. We accepted with no hesitancy the increased budget for the General Causes of our denomination. We have followed the 5-factor formula in establishing the quotas for the individual churches. We have arrived at a very fair and equitable distribution of the budget to the local churches. I think all of the churches are acquainted with their new quotas. These were presented and discussed in district meetings. The raising of a full budget is a "must." Each church will pay its own quota in full, I'm sure. We hope that each delegate and pastor will determine here and now that it shall be so.

May I express appreciation to every church and pastor for the support of the special offering for Otterbein College. We went over the top in our \$5,000 goal. We are hoping that the few churches as yet having no part in the offering will do so immediately. Again "thanks" for a splendid job.

Your cooperation in the Seminary Campaign had made it possible for our conference to lead the former UB conferences in the percentage contributed. You were wonderful to respond so generously. That is the spirit of true churchmen. Several churches are as yet still in the unpaid column. The money now contributed by these churches

will increase our Miami Conference Scholarship Aid to ministerial students. Every church should pay its entire allocation as soon as possible.

The Otterbein Home offering approached nearly our \$1.00 per member goal. We appreciate this increase. Let us remember however, that this goal of \$1.00 per member was set when the cost of operation of the Home was far less than it is today. We must advance still further in our support.

Boards and Agencies

The agencies and Boards of our conference fill a vital part of our total program. They are not ends in themselves, but the means to an end: to strengthen the program of the local church. We are very grateful for the splendid work accomplished by these groups.

The Board of Christian Education has always been since its beginning an important factor in our work. The emphasis of the board presentation here at conference is to be placed on the Sunday School. Camp Miami continues its significant influence in the life of youth and thus in the life of our churches. A word of recognition is here due to the age group leaders of our Conference Board of Christian Education. A new Young Adult Fellowship is functioning. The children's work is successfully promoted at the leaders' level. Our Youth Fellowship is less well organized and is in some respects more difficult to organize. Here again, the important work is done in the local church. Since there are some signs of neglect in this area of our responsibility, I hope pastors and churches will carry forward a well organized program for the youth. The W. S. W. S. is constantly enlarging the scope of its work, and we commend the Branch officers for their missionary zeal and able leadership. The president of the Conference Brotherhood informs me that there are eight new organizations in the Conference. This department of our work should grow, —it will do so only with the fullest cooperation of the pastors.

The other Boards and Agencies have done the usual faithful job: the Board of Evangelism, the Commission on Town and Country Church, the Board of Ministerial Training, the Board of Missions and others.

Personal

This has been an exceedingly busy year. When the last conference session ended I was plunged immediately into a busy round of duties in connection with the General Conference. These duties involved days of time.

In addition we have compressed the work of a normal 12-month year into 9 months. I have in all but a few cases held two quarterlies on each charge. Most Sundays found me in a different church in the various areas of the conference.

A very frequent question asked of me is "Do you like your work?" My answer is "Yes, I do." And yet at the same time, there is the lurking realization that I have a job too big to accomplish. None the less I give my energies to it without reservation, knowing that God can add strength to my weakness. I usually include in my answer to the above question that the most stimulating fact is that the challenge of my work is so far above my accomplishments that it will constantly keep me striving.

I have learned many lessons in my brief tenure, but I have learned no lesson better than that there are many more lessons to learn. May I count further on your patience and your cooperation, for we are a team.

Respectfully submitted,
WM. K. MESSMER

Report No. 3

REPORT OF COUNCIL OF ADMINISTRATION

The Conference Council of Administration met three times during the year. Reports of conference officers were received at each of these meetings and the following actions were taken:

1. Reviewed the actions of the Conference Superintendent in relation to the appointment of a new pastor at Aley-Riverside and the events following this appointment. Voted resolutions: (a) Endorsing the action taken by the Conference; (b) expressed confidence in the leadership of the new minister; (c) pledged the new minister the support of the Council.

2. Authorized the Superintendent to make satisfactory financial arrangements with the Rev. Richard Miller in connection with his services to the Aley-Riverside churches.

3. Authorized the members of the Council residing in Dayton, Ohio to serve as an executive committee of the Council.

4. Voted to request Bishop Dennis to set the Annual Conference for June 12, 13, 14 at Camp Miami.

5. Voted that the conference year close May 31, 1951 and that all quotas, salaries and appropriations for the year be on a nine months' basis, except that of the conference treasurer, statistician and the recording secretary. These items and the item of travel expense for the Conference Superintendent shall be the amounts stated in the conference minutes.

6. Authorized the treasurer to draw upon the Trustee Fund to the extent of \$150.00, for the Scholarship Fund at Bonebrake Seminary. This is in addition to the funds already in this account.

7. Voted to refer the item of scholarship aid to Seminary students to the Board of Ministerial Training.

8. Voted to reimburse the Conference Superintendent for personal expense incurred in arrangements for General Conference to the extent of \$50.00.

9. Authorized an offering for Otterbein College in the churches of the Conference on Education Day, Feb. 11, with a goal of 11% of the benevolence quota of the local church.

10. Voted that \$2500 be transferred from the Trustees Fund to the Group Insurance Fund for the purpose of securing group insurance for the ministers of the Conference and that this amount eventually shall be repaid to the Conference Trustees Fund.

11. Voted that the minister's premium payments to the Group Insurance Fund for the first year shall be on a quarterly basis and thereafter shall be on a semi-annual basis.

12. Voted that the expenses of the Conference Superintendent to the Ohio Pastors Convention be paid by the conference.

13. That the expenses of Rev. W. K. Messmer and Ralph Tinsley to the International Council meeting in Columbus, Ohio be paid by the conference.

14. It was voted that the Conference Board of Christian Education be given credit for \$5000 on the debt at Camp Miami. This credit was given largely because of the large expenditure the Board had made on repairs to the Camp property and its investment in permanent equipment.

15. Approved the appointment of the Revs. D. E. Gillespie, R. W. Tinsley and Roy D. Miller as a committee to study the possible revision of the Standing Resolutions concerning Ministerial Aid.

16. Approved a report of the Committee on Conference Relations in which the Rev. J. L. Broadstone was advised to desist in his pastoral relation with the Wayside Chapel and in which he was warned that his action is in violation of ¶ 376 of the Discipline and will lead to action on the part of the Conference in accord with the Discipline.

17. Approved the quotas for Benevolence suggested by the Conference Superintendent and the District Leaders for recommendation to the annual conference.

18. Adopted a recommendation that Eldorado, West Manchester, and Ware's Chapel be made stations beginning at the 1951 Annual Conference.

REPORT OF THE COMMITTEE ON CHRISTIAN SOCIAL ACTION

The committee having no work referred to it during these conference sessions has no report. However, we do suggest the following be brought to the attention of each local church:

That each local committee on social action read chapter XIV of our Discipline, and organize a community planning committee to determine the social needs of its community;

That each local committee review the film strip—"Mr. Harris Joins the Human Race." This visual aid, can be obtained on rental at the Otterbein Press Bookstore, and will be found to be most helpful in guiding and directing the work of the social action committee.

INVESTIGATING COMMITTEE

Re: J. Lenard Broadstone

The Investigating Committee submits the following report:

Whereas, the Rev. J. Leonard Broadstone, a member of Miami Annual Conference and subject to the Book of Discipline of The Evangelical United Brethren Church, gives evidence of serving as Minister of "Wayside Chapel," located at R. R. 8 (Riverside), Dayton, Ohio; and

Whereas, such action appears to this Committee to constitute "Trespass" as defined in paragraph 376 of the Book of the Discipline of The Evangelical United Brethren Church; and

Whereas, said Rev. J. Leonard Broadstone declined to appear before this Committee to deny this charge of "Trespass";

Therefore, we, the Miami Conference Investigating Committee, do believe that the said Rev. J. Leonard Broadstone is guilty of "Trespass" within the bounds of Miami Annual Conference, and should be subjected to disciplinary action by regularly constituted bodies of The Evangelical United Brethren Church.

REPORT OF THE HISTORICAL COMMITTEE

Miami Conference—June 14, 1951

Your Historical Committee held two meetings during the year. We have continued our efforts to gather historical data from the churches of the conference. Several pastors have kindly sent us additional material so that we are constantly getting nearer our goal of some historical record of each church in the conference.

We want to renew our request to all pastors to send us copies of historical statements, dedication programs, record books, etc. You are making history and it is our desire to conserve and record such historical material.

Two important contributions were made to our collection during recent months—several record books from the Zion Church in Dayton, and a thesis, written by James Riley, on a History of Miami Conference from 1810 to 1860. We close this report by reading a brief statement from this thesis concerning the first churches in the Conference.

REPORT OF COMMITTEE ON MEMOIRS

Charles Wesley Snyder

Charles Wesley Snyder, son of James and Martha Snyder was born near Crawfordsville, Indiana in 1869. For his higher education he attended North Manchester College and finished the Liberal Arts course in Otterbein College at Westerville, Ohio, with the class of 1903. He was then united in marriage to Miss Lucy Grantham, August 5, 1903. He was converted at the age of twelve years and heard the call to the ministry and was granted Quarterly Conference License to preach January 6, 1894. He was ordained in 1904. This young couple dedicated their lives to the Foreign Mission work and went to West Africa where they spent three years, the latter part of which Brother Snyder was superintendent of our West Africa Mission work. On their return he entered Bonebrake Seminary completing his work here in 1909.

He served the following charges in Miami Conference; Newport, Ky., West Elkton, New Haven, Calyor, Abbottsville, New Madison, Otterbein Home, Piqua, Lewisburg, Otterbein Chapel. In addition he was statistical secretary of Miami Conference for 15 years. He retired from the active pastorate September, 1941 and moved to Urbana, Ohio where the daughter Mrs. Gladys Lowry lived. However, his ambition

to do something for the salvation of others was keenly felt and he served as associate pastor of the First Methodist Church in Urbana for four years and two months. He was also chaplain at the County Home for six years and was much appreciated by the inmates of the Home. Brother Snyder never majored as a great preacher, but was very efficient as a pastor, visiting in the homes and bringing words of comfort and courage to those in distress. As a husband and father he was kind and cooperative in the home and with those he came in contact with in the work of the Kingdom. As a man his motives were not questioned. It was my good fortune to be with him on several vacation trips and the fellowship was always delightful and inspiring. He leaves the following relatives: his beloved wife, Mrs. Lucy Snyder, one daughter, Mrs. Forest Lowry, two sons, Dr. Everett G. Snyder of East Lansing, Michigan and Charles L. Snyder of West Lafayette, Indiana, a brother Edward of Spring Valley, Calif., two sisters, Mrs. Ira Sarber of Elmore, Alaska and Mrs. J. W. Stevens of Ft. Wayne, Indiana and four grandchildren, members of the Miami Conference and many other friends of intimate acquaintance.

Funeral service were conducted in the First Methodist Church in Urbana and our church in Piqua, where Rev. J. L. Armstrong, his pastor, was in charge. The body was laid to rest in Riverside Cemetery at Troy.

C. R. SMITH

Dr. W. T. Frank

A loyal servant of God has been exalted to be with his Lord. This reward came to Doctor Frank, February 6, 1951, after a long, painful and trying affliction.

Doctor Frank was a native of Darke County, Ohio. His education for his life work included the public school, Otterbein College and Bonebrake Seminary.

Immediately after his graduation from Bonebrake Seminary and ordination by Bishop J. Weaver in 1898, he began serving a Church at Orin, Illinois. This pastorate continued to 1900 at which time he returned to Miami Conference. He served a number of charges in Miami Conference previous to his retirement.

He also had the privilege to serve as a Home Missionary in the establishing of a church at Tampa, Florida. This ministry was from 1911 to 1912.

The decease of his wife, his loyal companion, was a loss from which he never fully recovered.

Doctor Frank's greatest delight was the recalling of his many enjoyable pastorates, during which he won many souls for the Lord. It was also an enjoyable memory for him to recall those whom he had been privileged to direct and enlist into the ministry of the Lord.

My closest contact with Doctor Frank was during the period of his stay at Otterbein Home. I learned to know him as one whose joy was to praise his Lord for the privilege to work for Him. I found him to be a man of deep convictions, indeed in discussing these he showed great emotion.

He was a family man, loving them very dearly. He was always happy to speak of them in the most endearing terms.

Doctor Frank will be one of the long remembered ministers of the Lord. May many more like him be called into the ministry of the Lord.

I thank you for the privilege that is mine in the bringing of this Tribute.

E. S. COMREY

Ralph B. Ditmyer

Ralph Benjamin Ditmyer was born August 26th, 1894, at Stockton, Ohio to the union of Benjamin and Ellen Stone Ditmyer.

His school attendance was at the Stockton Grade School followed by attendance and graduation from the Hamilton Public School with the class of 1911. His own marriage took place on April 5th, 1913, joining his life with that of Clothilda Herwig.

In 1916, completing a co-op course of study, he graduated from the University of Cincinnati, followed by a course of study at the Lane Theological Seminary.

During his schooling, he had been traveling throughout the state of Ohio in the capacity of enlisting Life Work Recruits, of which organization he was a member.

In the years prior to his being granted his Quarterly Conference License three children were born to the union; Florence in 1914; Ralph in 1916, and Dorothy in 1918.

His life as a minister began in the rural communities of Union Chapel, Maple Park, Zion, and Harrison-Rockdale.

Annual Conference license was given in 1923, after which time he filled the pulpits of State Road and West Elkton, continuing his work meantime at the Armco Rolling Mill in Middletown and making the journey on Sunday. A letter found in his files dated at this time states that after much prayer by him and his wife, and in view of the fact their fourth child was one month old, they felt they could accept the charge at State Road and West Elkton.

In 1926, Bishop A. R. Clippinger affixed his signature to his ordination papers following which he accepted full time work at Millville-Zion charge. The fifth and last child was added to the family at this time.

The next pastorate was to be the Millville and Mt. Airy charge in which he remained for ten years, seeing the work grow and prosper and change from this to the Mt. Airy and Bevis charge.

In 1940, he was assigned to the Union City, Indiana, work at which church he served faithfully and diligently for ten years, during this time that church built its present Sunday School plant under his guidance.

The Annual Conference of 1950 assigned him to Hartford St. E.U.B. church, Dayton, O. This pastorate was destined to be his last.

Throughout his ministerial career, he worked, toiled, served, prayed, and fully enjoyed his work with the Lord. Never fully discouraged, always faithful, fulfilling every obligation which he possibly could, until the end he followed his familiar quotation, "The Lord Willing."

REPORT OF COMMITTEE ON RESOLUTIONS

To the 142nd Annual Session of the Miami Conference of the Evangelical United Brethren Church:

Whereas, the Almighty God in his abundant mercy has granted unto us the tokens of His love and favor in this another Annual Conference session, be it resolved that:

We wish to commend Rev. Walter Miranda for his efficient supervision of meals and other things which have contributed to the comfort and convenience of our conference. We express our thanks to the ladies of the different churches who served the meals. Those who remained on the grounds through the conference express thanks for their comfortable lodging.

We rejoice in the fact that Camp Miami, in which the sessions of this conference were held, has been freed from debt and we express our gratitude to all who helped in this project, especially to the Council of Administration for forgiving for the Board of Christian Education the final \$5,000 remaining on the debt.

We express our appreciation to Bishop Dennis for his gracious spirit, efficient procedure in conference circles and helpful and inspiring devotional addresses in this, his first official meeting of the Miami Conference. We desire to add our expression of welcome to those which have already been given to him as he returns to the fellowship of the conference and has taken up his supervisory duties here, and we pledge to him our loyalty and co-operation in our mutual work of furthering the advancement of the cause of Christ and the church.

We further express our thanks to our conference superintendent, Dr. W. K. Messmer, for his enthusiastic and consecrated leadership, and especially wish to commend him for the fine report given to this conference. We also pledge to him our whole-hearted support in the work of the conference.

We wish to give special recognition to the elders who are retiring, O. D. Wellbaum, A. S. Wolfe, Dr. Frank Oldt and Miss Ella Hamilton. We express our thanks for the many years of valuable service rendered by them and tender our regrets that such retirement time has actually arrived for them.

We express our appreciation to Ray Fitsimmons of the music department of Zinner's, Dayton, Ohio, for the organ used in these sessions. We express our thanks to the organist, Mrs. Lorin Stine, for her services at the console.

We manifest our sincere thanks to the song leader, Rev. Milford Ater, to the soloist, Mrs. Miriam Erbaugh, to the members of the ministers' quartet and to the choirs of the Miamisburg church, the First Church of Hamilton, and the North Bend Church, for the inspiration given to the conference by their musical contributions.

Treasurer—Mrs. James Miller—2444 Pershing Drive—WA 3998.

It is a pleasure and privilege to submit to you this Eighteenth Annual Report of the Women's Auxiliary of Bonebrake Seminary.

In our report of last September 1950, Miami Conference ranked fourth in the amount of funds and members totaling \$452.00. Now, in June of 1951, nine months later, we are in third place with an increase of \$91.00 for this period. We are very proud of this but also humbly grateful to the work of the women of this Conference who have made this possible.

Dues are 25c per person or \$5.00 for a group membership.

All projects recommended a year ago have been completed and a total of \$2,455 spent at the Seminary.

This coming year we plan to continue the work on bathrooms, paint suites that most need it, purchase mattress covers and pads, shower curtains, rugs, material and labor for book cases, and such other items as we are able to take care of, at an approximate cost of \$1,845.00.

We wish to stress again the importance of the key worker in your church, as she is our only contact with each church in the conference. She should be a person who is vitally interested in the work of the Auxiliary and be willing to support it.

As we face the year ahead may we do so with confidence and courage and with a faith that we can go forward to greater things knowing that when we are doing the Master's will we cannot fail.

Our sincere thanks to President Roberts, the faculty, General Officers and to all who help in any way to make this organization possible that we may enrich the lives of our Seminary students and thier families during their stay there.

Respectfully submitted,

MRS. L. O. SHAWEN, President

Report No. 16

THE MIAMI ANNUAL CONFERENCE BROTHERHOOD

Repot of The President

To the Officers and Co-workers
of our Miami Conference Brotherhood:

Greetings:

Last September you elected a group of officers to represent your Miami Conference Brotherhood organization for the present year. It has been my pleasure to represent you as the President, but with this pleasure I realize that I accepted the obligation to justify your confidence by being the leader you expect your president to be. In the same spirit it is only natural that your officers may anticipate loyal support of the organizations of our local churches as we endeavor to further the work of our Brotherhood organization.

This past year was unusual in several ways. First, the year has been only nine months, as we close our work this year as of May 31, because of the change in the time of Annual Conference. Secondly, the first quarter was completely used in the work incident to the convening of the General Conference which was held in Dayton last November. I have not been able to have regular meetings of our Executive Committee. We did however have one session last January in Hamilton. I have had several conferences with members of the Conference Board of Christian Education of our Conference and have endeavored to accomplish some plans to be projected in the future.

The General Conference of last November was a great gathering for Miami Annual Conference. It brought to our midst leaders of our Church and those representing other great denominations. They contributed much to the challenges of our day. The great Men's rally of Saturday night, November 11, will be long remembered, especially the great message by Dr. D. Elton Trueblood. Our men of Miami Conference had an opportunity to receive first hand the inspiration that results from a great meeting of this kind. I trust many of you men were present and received the inspiration of this session.

This quadrennial session of our General Brotherhood adopted goals for the next four years which, if we have faith to get behind them, can prove the men of our Denomination mean business in our work for the Lord. For several years the call has come to the General Brotherhood Executive Committee for a united project. This matter

was given serious and prolonged consideration with the result that the Executive Committee approved that we should unitedly support a Home Mission church development, one each year, if possible.

This work is in collaboration with the Department of Home Missions and Church Erection of the Board of Missions. A great project of this kind must have the united support of every annual conference brotherhood. The response has been most gratifying and we all anticipate that this quadrennium will see the men definitely united in great work, under the banner of the Brotherhood.

Our Miami Conference Brotherhood is expected to share in this great venture of faith. Before we can expect to accomplish great things we must call to your attention that support be given the conference brotherhood in order that we may meet the proportionate share of the operation of the offices of our General Brotherhood. For the past four years, our conference share of the general budget of our General Brotherhood has been \$750.00 annually. To date, we have paid to the General Brotherhood Treasurer—\$618.75, which means we have not even paid in full the first year's apportionment.

This matter has come to the attention of the Conference Board of Christian Education and, after prayerful consideration, they adopted a recommendation that every church pay to the Conference Treasurer an amount equal to ten cents per male member, sixteen years and older. This amount, to be paid annually, would support the work of our Conference Brotherhood and make possible the complete underwriting of our proportionate share to the General Brotherhood. This request would mean very little for some churches, but unitedly, it will help Miami Conference to create promotional materials, thus enabling our conference to meet the challenges before us. Some churches of our conference will be able to do more than the minimum requested above. In all such churches, we covet your additional support.

The General Project for 1951-1952

The first project approved by the General Brotherhood Executive Committee is the acceptance of the St. Petersburg, Florida project.

This is a most worthy venture, being our first church in this growing and beautiful city. This church group is made up of members of our denomination who have moved to St. Petersburg and they have rallied wonderfully under fine leadership and must have a church building to make possible the future of this great mission. We all covet for them the united acceptance of this first project and certainly the successful completion of their church building, with the aid of our General Brotherhood organization. Our General Brotherhood has set a goal of \$40,000.00, with a commitment of \$25,000.00 to the St. Petersburg project. This is an opportunity for our Conference to share in something that will mean much to our whole church—a great challenge to BUILDERS. It is our duty to accept, as a conference brotherhood, our share in this worthy undertaking.

Commitment Sunday—October 21, 1951

The third Sunday of October—October 21—has been designated in the General Church Calendar as Men's Day. The general theme for this quadrennium is "Christ Calls." The General Brotherhood has adopted the general theme—"Christ Calls Men." The theme for our first year is designated as—"CHRIST CALLS MEN TO COMMITMENT." In furthering this theme we should like that all our churches observe the third Sunday of October—Men's Day—as "Commitment Day for Men." In due time you will receive literature which will have at least five emphases, listed as follows:

- (1) Men Committed to—daily prayer and Bible reading
- (2) Men Committed to—Program of Stewardship
- (3) Men Committed to—Church Attendance
- (4) Men Committed to—winning another man to Christ

- (5) Men Committed to—the support and promotion of the General Brotherhood project

As we approach this date may we all realize that God counts on men to do His business in a real business-like manner. This Commitment Day for men is another challenge to us all. Recently I read that—"if we are too busy to pray, we are too busy." May I report that if we are too busy to take this program and do something with it, we **ARE TOO BUSY** and we had better do some serious thinking about "Commitment."

Second Men's Congress

Our Second Men's Congress is scheduled for Harrisburg this coming October 26-28. The program is completed and will include national leaders as speakers and special seminars to bring us closer to grips with the important work of our Brotherhood. Your officers covet that many from our conference will be in attendance at this truly great Congress. Speakers for this gathering include Dr. A. D. Stauffacher of the Christian Congregational Church, an outstanding leader in Stewardship; Mr. Lem Jones, president of the Department of United Church Men; The Honorable Theodore McKeldon, Governor of Maryland, recognized not only as an outstanding speaker, but more especially a genuine Christian leader; Bishops George E. Epp and Fred L. Dennis; Dr. Reuben H. Mueller and others. The heart of the Congress will be the workshop program. Five such workshops will be held Saturday, October 27, and will be built around five of the main program emphases of our Church, namely: Evangelism, Christian Education, Missions, Christian Social Action, and Stewardship.

Miami Conference Brotherhood Congress

Your Executive Committee has authorized preparation for a Congress for our Miami Conference Brotherhood. Tentative plans are under way for this to come early in October or next spring. Your officers hope that you will be sufficiently interested in this new venture in our conference to not only approve this Congress, but to give your united support to this program.

District Organizations

It is gratifying to your officers to know that District organizations are a part of our Miami Conference Brotherhood. This is a very important part of the united work of our conference and we hope that each District will back their district officers in seeing that many new local brotherhoods will be organized.

New Brotherhoods

Your president is glad to report the following new brotherhoods have been organized during the nine months ended May 31, 1951:

Northwest District

Ithaca
Abbottsville
Rossburg Circuit
(Community Brotherhood)
Antioch

Cincinnati District

Clifton
Mt. Healthy

Northeast District

Bowlusville

Dayton District

Drexel

According to the records we now have forty brotherhood organizations reported in the annual statements. To each of these eight new organizations we pledge our assistance in any way possible to help you grow, not only in numbers, but in your usefulness in the work of your church. This is a good year and we now trust many other churches will be able to report a brotherhood organization in their church.

It is certainly fitting that we give attention that our conference has received from Indiana (EV) Conference three churches which are now a part of our conference. We want to welcome Wayne Avenue group of Dayton, Wares Chapel group and the Zion Church group from Phillipsburg. We covet for each of these three fine church groups a brotherhood organization during the coming year.

General

The work of the Brotherhood is carried forward largely through the four Commissions:

- (a) The Devotional Life
- (b) Christian Training
- (c) Christian Service
- (d) Christian Fellowship

It is our hope that we may have your support in assisting the four men who will be named the chairmen of these commissions for our conference. Their work is most important. This was not accomplished this year, but we do hope that each commission will have a capable chairman for the next year.

Your officers depend much upon the general leadership of the conference. Dr. William K. Messmer, our hard working Superintendent has given much of his time in the interest of Brotherhood work. Likewise your officers have had the fullest support of Reverend Ralph Tinsley, the Conference Director of Christian Education and Reverend Emerson D. Bragg, our Conference Director of Adult Work. I am certain all the officers join me in our heartiest thanks to these noble leaders. I am also glad to mention the Episcopal leader of the General Brotherhood who is now our Bishop of the Central Area, Bishop Fred L. Dennis. His keen interest in the Brotherhood means much to us all and we value his constant counsel.

I certainly cannot close this report without expressing my keen appreciation to the officers you elected to serve with me. William C. McDulin of Hamilton, whom you elected as Treasurer was called into the service of our country shortly following his election. The Executive Committee requested our Conference Treasurer, Wendell A. Hohn to serve as our Treasurer. To these just mentioned and to Leon Bolinger, your Vice-President, and Paul W. Fox, our Secretary, I say—"Thanks." It has been a pleasure to be associated with you all. And to the Ministers of our conference, may I express my keen appreciation in your support of the Brotherhood program. Without your assistance we can go forward only slowly, but with you all working along side of the laymen of your church great things are being accomplished.

We cannot change the record of the year just closed, but if we are not satisfied with the results we have the blessed opportunity to make our coming year a blessing to Almighty God. God bless you all.

REPORT OF THE BOARD OF CHRISTIAN EDUCATION

The Board Of Christian Education submits the following report:

Report for the Conference Year

During this year members of this Board have participated in the work of: (1) The General Assembly and the Departments of Christian Education, Vacation Church School, Week Day Religion, and Rural Life of the Ohio Council of Churches; (2) The Regional Institute on Visual Aids of the International Council of Religious Education; (3) The Instituting Convention of the National Council of Churches; (4) The first annual meeting of the Department of Christian Education of the National Council of Churches.

Conventions and Institutes

Under the leadership of Mr. Clarence Liesenhoff, President, the Miami Conference Brotherhood held its annual meeting at Camp Miami Monday, September 11, 1950. Over 200 men from all areas of the Conference were present. After electing their Officers for the New Year, these men listened to an informative and inspirational address by the National Brotherhood President, Mr. Torrey Kaatz of Toledo, Ohio.

Mrs. Luther Devers, Director of Children's Work, promoted a "One Day Children's Workers Institute" in October. By request of the local church children's workers another such institute will be held this fall.

On Sunday, April 8, the Young Adult Fellowship of the Conference sponsored a "Young Adult Institute." On these grounds nearly 200 young adults, under the leadership of Rev. Bragg, faced some of the opportunities and problems of the modern home.

During the week of April 16, the Board of Christian Education promoted 5 District Institutes of Christian Education. More than 700 persons attended these meetings. The major purpose for holding these institutes was to introduce new visual aids materials in the fields of Christian Education and Stewardship, which can be used to great advantage by local churches. It is our hope that many of the local churches will make use of these materials in the new conference year. You may secure them from Rev. E. E. Burtner, Director of Visual Aids.

Evangelism

In a separate report, Rev. H. C. Hahn, Conference Director of Evangelism, will review the achievements of our Churches during the year in the all-important task of winning souls to Jesus Christ and His Kingdom.

Report for the Quadrennium

Officers of the Board

President	P. M. Herrick
Vice President	Mrs. Vance Cribbs
Secretary	R. W. Tinsley
Treasurer	M. B. Klepinger

Personnel

Membership of the Board includes: (1) Members elected by the Annual Conference to serve for the quadrennium: J. P. Hendrix, M. B. Klepinger, P. M. Herrick, Mrs. Vance Cribbs, Mrs. Jesse Haines, Mr. John Share; (2) Members by virtue of Conference Offices: W. K. Messmer, Conference Superintendent, R. W. Tinsley, Director of Christian Education, Mrs. Elmer Werner, President of Miami Branch W.S.W.S., Miss Betty Drake, President of Girls Missionary Guild, Mr. Wesley Clark, President of the Conference Brotherhood; (3) Directors appointed by the Board: Leadership Education, E. H. Hammon; Adult Work, E. D. Bragg; Youth Work, Robert Ryder, Chil-

dren's Work, Mrs. Luther Devers; Evangelism, H. C. Hahn; Visual Aids, E. E. Burtner; Manager Camp Miami, W. N. Miranda.

Through the faithful and efficient labors of these persons the interests of Christian Education have been promoted in our conference. The Board is deeply grateful to the Churches which they serve for permitting them to give of their time and talents to this important part of the conference program.

In this quadrennium Members of the Board have taken an active part in the work of: (1) The International Council of Religious Education; (2) The Ohio Council of Churches; (3) The General Board of Christian Education of the E.U.B. Church; (4) The World Council of Christian Education Conventions; (5) City and County Councils of Churches within the bounds of the Conference.

Work Among University and College Students

Three years ago the five E.U.B. Conferences of Ohio made possible better and more closely integrated work among the E.U.B. Students in the Colleges and Universities of the State by the organization of the "Albright Otterbein Fellowship" at Ohio State University. A house, which now serves as the "Fellowship Center" and residence of the Director, was dedicated in January 1950, and is in constant use. The headquarters of Rev. Tom Wedsworth, Director, are now and will remain at Ohio State, but from this central point he will keep in intimate contact with all our E.U.B. Students throughout the State. The management and operation of the "Fellowship" is under the direct supervision of a Board of Directors, composed of the Conference Superintendent and Director of Christian Education of each of the cooperating conferences, plus two resident pastors of Columbus. We anticipate a splendid future for this work.

Camp Miami

During the quadrennium we have increased the number of Conference Camps held on these grounds from two (one Youth and one Intermediate) to eight, and the attendance from 225 to 650. The Camp is also rented for church camping purposes to five or six groups from other Denominations.

On May 1, 1950 Mr. Arvids Zumburs, a displaced person from Latvia, became the custodian at Camp Miami. Under the guidance of Walter Miranda, he has labored diligently in cleaning and beautifying the buildings and campus, and in giving excellent assistance to the kitchen staff and teachers. We, of the Board, believe we are most fortunate to secure such fine folks as Mr. and Mrs. Zumburs and are convinced they will continue to make a unique contribution to our conference life.

We began the quadrennium with a debt of \$11,000 on the Camp site. This mortgage is now liquidated. New Equipment and Improvements in these years include: (1) Building and furnishing of this Chapel; (2) Preparing additional class rooms; (3) desk arm chairs for use in class rooms; (4) a Camp Office; (5) A Camp Lounge; (6) a Recreation room; (7) painting all rooms in the administration building and all hall ways; (8) a dish washing machine; (9) modernizing rest rooms; (10) rebuilding the porch roof. The total cost of these improvements and equipment was approximately \$27,000 and this amount is paid in full.

As we plan for the greater use of the Camp a real need for some major additions and improvements becomes apparent. A few of these needs are: (1) shelter houses at strategic sites on the Campus; (2) a new drive way; (3) a swimming pool. These needs cannot all be met immediately, but they must be kept as future goals.

We express our very deep gratitude to the Sunday Schools of Miami Conference for their splendid financial support of Camp Miami during this quadrennium. Because of this support, the above mentioned improvements were made possible.

A word of commendation is also due the several Directors: Mrs.

Luther Devers, Reverends Emerson Bragg, Robert Ryder, Milford Ater, Demi Edwards and William Messmer, for their investment of time and skill in planning and conducting the Conference Camps, and to Rev. Walter Miranda for the efficient manner in which he has cared for the physical needs of the Camp.

RECOMMENDATIONS

The Board Of Christian Education recommends:

1. That each Sunday School of Miami Conference be requested to pay 25c per average attendant for support of Camp Miami during the conference year 1951-52.
2. That Christian Education Institutes be held in the districts of the Conference in the spring of 1951.
3. That the General Director of Christian Education for Miami Conference serve on a part-time basis for this quadrennium.
4. That each church pay 10c per male member for Brotherhood work.

Respectfully submitted,

RALPH W. TINSLEY
General Director

Report No. 18

REPORT OF THE COMMISSION ON EVANGELISM

The Commission wishes to express profound appreciation and congratulation to the pastors and lay workers of the churches of the conference for the splendid adherence to the program of Evangelism for the churches in the conference during the last year. When one considers the blocks of time were given for the preparation and entertainment of the General Conference and the fact that we have an early conference left very few months to reach the objectives set in our session last fall. Seventy-five percent of the twenty-five hundred membership goal set constituted 1875 members. The superintendent reported that we had received 1890, which is just over the quota for nine months. Many other gains can be reflected in the report of the Statistical Secretary, some not as great as we would have desired, but nevertheless on the right side of the ledger. Your Commission wishes to review some of its activities during the year and submits the following report:

We held four meetings of our Commission, gave coaching counsel to several pastors and conducted a helpful institute at Euclid Church on Evangelism Sunday. Inclement weather kept our institute from being as well attended as other years, but those present expressed the appreciation for the practicality of the institute. Wall charts were prepared and distributed, emphasizing our special days and goals as means and aids toward winning the members for Christ. Your secretary visited fourteen churches personally for meetings of various types and nature that dealt with evangelism. Other members of the commission also appeared in various roles, particularly as exchange speakers. All the denominational emphases have been faithfully carried out. Your Commission wishes to submit the following recommendations as our goals for 1951-52.

1. That proper emphasis be given to the theme "Christ Calls to Commitment."
2. That not only pastors but every church leader be committed to the task of winning recruits and that widespread use of the book "Christ Calls to Commitment" by Dr. Holdeman be given.
3. That a series of rallies specifically held in the interest of evangelism be held at appropriate times as a substitute for the institute on Evangelism Sunday.
4. That each church give major recognition to Evangelism Sunday in the local program on the second Sunday of January, 1952, and Youth Evangelism Month in January.
5. That every church have an active commission on evangelism

to meet at least quarterly; to continually place emphasis on the total program of evangelism in Sunday School and the church.

6. The Conference Commission of Evangelism provide a questionnaire to be filled out by the local chairman of evangelism and be sent to the commission one week prior to conference.

7. That we request the Conference Superintendent to inquire at the local church conference about the appointment and personnel of the Commission on Evangelism.

8. That we recommend that every church have a midweek service for study and prayer.

9. That every church use the midweek service as a special preparatory meeting prior to the World Communion Sunday.

10. That since our goal as a denomination is "Ten Win One" we set our quota for thirty-two hundred new members for the year 1951-52.

b. That we achieve a net gain of 1000 members.

c. That we strive for a net gain of 10% in average attendance at the morning worship.

d. That we strive for 2600 new members in our Sunday School.

e. That we strive for a gain of 10% in average attendance in Sunday School.

Your Commission wishes to suggest that we appoint group leaders in the local church for every ten members in the attempt to lay upon their shoulders the responsibilities of each group winning one member for Christ during the year. Further elaboration on techniques will be given at the early round of fall institutes to pastors during their period of study.

Report No. 22**REPORT OF BOARD OF MINISTERIAL TRAINING**

This is the fourth report of the present Board of Ministerial Training composed of Philip Deeever, Roy Miller, E. H. Hammon, E. R. Turner, and E. E. Burtner. According to the Discipline, a new board is to be elected for the coming quadrennium.

At the end of the first quadrennium of the work of the Board of Ministerial Training in our conference it seems fitting to review a few facts: In the period from 1941-1950 the names of 49 men have come before either the Committees on Conference Relations and Elders Orders under the U. B. Discipline or before the Board of Ministerial Training as provided in the 1947 Discipline. Of these 49 persons, 10 have been ordained and are now members of the conference. Two ordained men have left the conference. Eleven of the 49 are still on the way to ordination. Thus, only 23 out of the 49 men and women who have appeared before the conference are still in the ministry or continuing preparation for it. The fact that something less than half of the people who have appeared have actually made progress into the ministry indicates our need, first, to screen our candidates before they get to the conference, and, second, to give more help to those who do come.

In 1941 the conference listed 3 Annual Conference Licentiates and 15 Quarterly Conference Licentiates. At present we have 3 new Probationers, 15 Probationers who are continuing their preparation for the ministry, and one man to be ordained. This is really a much better situation because 11 of the Probationers will be in Bonebrake Seminary this coming year. At present we also have 5 ministerial students who have declared their intention to preach in writing. These men are now pursuing their college work. There are several others who have not yet formally indicated their intention to prepare for the ministry, but we feel that they are very close to a final decision and should be considered as part of the improvement in the ministerial supply of our conference. There is no question but that the ministerial supply in the conference is better than it has been for nearly a decade. No one thing can account for this encouraging change. It well may be taken as evidence of a deepening spiritual life in the churches of our conference.

The Board has two suggestions to make. We believe it would be helpful in the work of the conference and would also be good record keeping to list all ministerial students in the report of the Conference Registrar. We also earnestly commend to the Conference a serious study of ways and means to provide aid for ministerial students in college and in seminaries. This really is urgent and cannot be postponed. Sometimes financial problems seriously interfere with the ministerial training. We cannot let this continue.

The Board wishes to thank the Superintendent for his untiring help in the work, and to acknowledge his firm grasp of all the problems. We are also grateful for the support and encouragement of the members of the Annual Conference.

Report No. 26

REPORT OF THE TOWN AND COUNTRY COMMISSION

1951

The Town and Country Commission submits the following report for 1950-51:

During the past year the Commission has held three meetings. We met at Rosewood to consider the idea of a subsistence farm for the charge, but felt that no recommendation was necessary in the matter. The conference Institute, planned for December 7, collided with a severe snow and ice storm and only seven churches were represented. An excellent program had been prepared. We will have two representatives present at this year's Oberlin School for Rural pastors: J. P. Hendrix of Fletcher, Ohio, who has been honored as Rural Pastor of the year for our denomination in Ohio, and Harley Brown of Potsdam.

Based upon recent experiences, the Commission suggests that the Rural Life Institute be omitted this year and that the Commission make itself available to study the program and opportunities of any local Rural church requesting the same or at the suggestion of our Conference Superintendent.

Within the past four years the Commission has been responsible for the following activities:

1. Promoted attendance at three Rural Life Convocations. Ten pastors were at Rochester, N.Y.; two were in attendance at San Jose, Cal.; and six were at Lincoln, Neb.

2. We have secured the attendance of Howard James at Garrett Biblical Institute and Charles Messmer at Union Theological Seminary in addition to the two who will go to Oberlin this year.

3. We have conducted Rural Life Institutes at Antioch, New Haven, Caylor Chapel, two at Camp Miami and one at Germantown church.

4. We made an "on the field" study at State Road and participated in a congregational meeting at New Hope. Both were followed by progress in the local congregations.

5. In 1947, we recommended the development of a more aggressive spirit in our rural congregations. In 1948, we noted the developing Rural-Urban situation. In 1949 came the rising tide of new buildings and improvements in churches. In the same year we recommended the creation of rural parishes adequate to support full time resident pastors.

6. In 1950 and in 1951 the Commission met for two days with the other Commissions of our Central District at Westerville under the leadership of Dr. B. H. Cain and the Denominational Commission to study the Rural program. We have also cooperated with the Committee from the Ohio Council of churches.

7. We feel a commendable pride in the alert and aggressive attitude of our rural churches in Miami Conference. Recognition for

this is properly due to the capable men who are our pastors and leaders and to the fine laymen of our rural congregations. In construction alone, at least one-third (20 of 58) of our Rural churches have made great improvement. It is the earnest hope of your Rural Life Commission that our work has had some part in inspiring this proper advance.

Respectfully submitted,

GREETINGS FROM THE MIAMI BRANCH

As women of the Women's Society of World Service, we are challenged to unite all women of our Evangelical United Brethren Church in Christian fellowship—to make Christ known throughout the world.

How better could we work toward achieving this aim than to have chosen a theme for our new quadrennium identical with that of the general conference—"Christ Calls" and for the present year "Christ Calls to Commitment."

We are daily seeking new paths to commitment through reading the New Testament, through daily definite prayer for others, and by joyous whole hearted practice of stewardship.

We feel a deep debt of gratitude to our church for giving us the incentive to answer Christ's call.

As we listened to the glorious witnessing of 23 of our active missionaries at our quadrennial convention, and as we thrill to the high inspiration of our annual Branch Conventions, and as we witness the vast program set up by our own Miami Conference we are more keenly aware of our church's task.

We pledge our loyal support anew, that together as one, we might more fully commit all of life to Him.

MRS. CLYDE ROBERTS

Report No. 32

TO THE ANNUAL CONFERENCES OF THE EVANGELICAL UNITED BRETHREN CHURCH IN OHIO

Greetings:

The Plan and basis of Reorganization of the Ohio Conferences, as adopted by the several conferences in their 1950 sessions was approved by the General Conference meeting in Dayton, Ohio, in November 1950.

Since that time the Joint Commission and its sub-committees have spent a great deal of time and study in preparing the specific plans and bases for the organization of the four conferences in Ohio. At a meeting of the Joint Commission in Westerville, May 24, 1951, the editorial and legal committee was charged with the responsibility of embodying the actions of the Joint Commission in the form of specific proposals to be submitted to the several annual conferences.

In accordance with this action we now herewith submit these plans and bases to the several annual conferences for their action.

Respectfully submitted,

The Editorial and Legal Committee of the Joint Commission.

AND WHEREAS many of the details of the reorganization are beyond the scope of the interest of the Conference, since no churches of the Ohio Conference will fall into the boundaries of the Miami Conference—this does not effect tenure of office of any of its officers
